GUIDANCE FOR APPLICANTS

- Please ensure that all items are appropriately & accurately completed.
- It is requested that all details are typewritten. (PC templates are available on request from www.tkd.co.uk if required). If this form is hand written, the UK ITF will not be responsible for any certificate printing errors and replacement/amended certificates will be charged at £20.00.
- Only one nationality should be entered, that being the nationality stated in the applicant's passport. In the case of the applicant having 'dual' nationality, only the nationality that most accurately reflects the applicant's citizenship should be entered.
- Only one forename & surname should be entered as there is not usually enough room for more on the certificate. If more than one is entered, without any explanation provided, the certificate may not be printed with the entire name. The UK ITF will not be responsible if this occurs and replacement/amended certificates will be charged at £20.00.
- 'UK ITF Membership Number' refers to the student's current licence. Please ensure this licence is valid. Details can be obtained from HQ if required.
- Every member must have a current licence. Those without a valid licence are not permitted to grade.
- Personal history & thesis are requirements for grading to IVth Degree. These should be submitted to the UK ITF at least 3 months in advance of the grading date for approval. The thesis should be about Taekwon-do. It could be what you think about Taekwon-do at the present, or how you see it developing in the future. Alternatively it could be about any part of Taekwon-do such as warming up exercises or patterns. It could also be about the anatomy in connection with Taekwon-do.
- Failure to comply with any requirement will result in permission either being withheld or withdrawn for you test.
